The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see <u>www.kp.org/plandocuments</u> or call 1-800-813-2000 (TTY:711). For general definitions of common terms, such as <u>allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 1-800-813-2000 (TTY:711) to request a copy.</u>

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$750 Individual / \$1,500 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care and services indicated in chart starting on page 2.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. \$250 / Individual for <u>prescription</u> drugs. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$3,000 Individual / \$6,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , health care this <u>plan</u> doesn't cover, and services indicated in chart starting on page 2.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://choose.kaiserpermanente.org/bmo or call 1-800-813-2000 (TTY:711) for a list of Participating Providers .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge and what your <u>plan pays (balance billing)</u>. Be aware your <u>network provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</u></u>
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes, but you may self-refer to certain specialists.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
